Picture Directory - Viewing your photos: An email address is required to view your photos on your computer/phone during your photo consultation with the Directory representative. Most of you likely provided an email/ phone contact already after your photo session. You will receive an email a day or two before your scheduled photo viewing date with a link that you will click on to view your photos during the viewing appointment. If you don't have access to email, perhaps a friend with an email address may assist you. If you need assistance in these areas or have Directory questions, contact Calvary member Rod Jansen, at 641-990-2727. Our Directory customer service rep is Julie Martin. She can assist with setting/confirming appointments and helping with email/phone/directory questions. Contact Julie at ph. 888-724-3907 extension 1

Picture Directory - Alternative photos: If you were unable to schedule a photo appointment, the directory company is making available an alternative. You may submit a selfie photo, or a previous professional photo (along with a copyright release from that photographer). Providing the photo, along with a \$10 fee, will enable the company to include the photo in the directory, and you will receive a copy of the new directory. Submit the photo to the church office or Rod Jansen (office@calvarypella.org, or jansen.rodney@calvarypella.org), along with a check made payable to Re:member Church Directory by July 6.
