Picture Directory - Viewing your photos: An email address is required to view your photos on your computer/phone during your photo consultation with the Re:member Directory representative. Most of you likely provided an email/phone contact already after your photo session. Re:member will send an email to you a day or two before your scheduled photo viewing date. They also provide phone/text reminders about your appointment. The email will contain a link that you will click on to view your photos during the viewing appointment. If you don't have access to email, perhaps a friend with an email address may assist you. If you need assistance in these areas or have Directory questions, contact Calvary member Rod Jansen, at 641-990-2727. Our Re:member Directory customer service rep is Julie Martin. She can assist with setting/confirming appointments and helping with email/phone/directory questions. Contact Julie at ph. 866-724-3907 extension 1
