Adult Sunday School will be doing a 4 week class called Facing Anxiety starting January 9th. -Anxiety is incapable in today's world. When stress overpowers us and fear infects our minds, it can feel like the peace the Bible talks about is impossible to find. And no amount of pretending, overworking, or isolating ourselves will offer us the peace we need.

As we are coming to the new year please get your committee financial reports and committee member updates in to the office by the 31st of December.

Be sure to UPDATE BREEZE With your phone number, email, or address if it has changed in the past year. Unable to update Breeze? Email Joy with your updates by December 31.
