Adult Sunday School: We will be studying "Talking with Your Kids about Jesus" with Natasha Crain. This six-session series, offers tools and encouragement for creating low-grade, consistent efforts to clarify who Jesus is, why he matters, and how kids can live impacted by their faith in him. Homes where deep and meaningful faith conversations happen regularly are the product of intentional parents who believe nothing is more important than raising kids to know and love Jesus. Join us in learning how we can best lead these life changing conversations.

Please consider donating cookies for coffeetime. We have depleted our frozen cookie supply and our cupboards are bare!
