Mediocrity was never God’s plan for you. In this challenging six-part series, Dave Cornes cuts to the chase by letting us listen in on six conversations between God and His people, recorded by the prophet Malachi. If you’re tired of going through the motions of an attendance-based faith, then discover what it means to live a vibrant, abundant life fully devoted to the God whose immeasurable love for you is based on His promise, not your performance. Recover faithfulness in your relationships. Learn to practice world-changing justice and radical generosity. And even amidst the struggles and imperfections of your ordinary life, embrace the extraordinary righteousness that is yours through Jesus. Women join Oasis Bible Study on Wednesdays at 7 for this 6 week study starting November 6.

Mainly music has begun the fall semester! We are excited to use music and fellowship to share the love of God with over 100 children and their caregivers.
