## DISCUSSION QUESTIONS

What are some common “lights” people follow instead of Jesus? Where do you see those “lights” leading them?

Where do you experience “darkness”? Is there an area of your life where you feel like you're walking in darkness right now?

How has the light of Christ led you through those times of "darkness"?

If you were tasked to help someone see Jesus as the Light of the World, how would you help them see?

What does it look like to actively follow Jesus in your setting? What steps could help you move toward the light this week?
